

Public Works Affidavit

To all subdividers:

In accordance with the UDO Section 14-702-04, a final plat will not be accepted by the Community Development Department for consideration until the City Engineer approves the final engineering drawings. This form shall be signed by a representative of the Public Works Department and submitted with the final plat application to the Community Development Department. If the required final engineering plans have not been approved for the subject subdivision by the Public Works Department, the final plat will not be accepted by the Community Development Department.

This proposed final plat of: _____
Name of Subdivision

Check the appropriate box:

- Does not require final engineering drawings approved by the Public Works Department for the City of Independence.

- Does require final engineering drawings approval by the City Engineer and a copy of the engineering drawings approval letter from the Public Works Department is attached.

City Engineer (or representative)
